Notes:

¹ This is a complete list of all communities in the Province of Newfoundland and Labrador as of the 2001 Census of Canada, based on the following definition:

A community can be a city, town, village, Indian reserve, or a cluster of five or more dwellings (i.e. a settlement), locally known by a specific name, but lacking legal limits or local government. To be defined a community, a village, Indian reserve, or a settlement must be inhabited at least six months of the year and have an estimated 2001 Census population of at least ten residents. Where possible, a settlement not meeting these criteria can be included under a neighbouring community. If not, a settlement will be included under the “**In Between Communities**” category.

² Type: DPL Designated Place (Statistics Canada geography)
SUN Subdivision Unorganized (Statistics Canada geography)
