**Notes:**

p - Data is preliminary.

<sup>1</sup> - Includes compassionate beneficiaries as of January 2004.

<sup>2</sup> - The definition of regular beneficiaries has been expanded to include those receiving regular benefits while participating in employment benefit programs, such as training.

With the current release of August data, the seasonally adjusted series of Employment Insurance (EI) statistics were revised back to January 2000 to reflect the most recent seasonal factors. For more information please see the following link to Statistics Canada, DAILY:
